

Pre-Game Field Check

The following items should be checked during pre-game with your partner.

- _____ Goals & Nets
- _____ Field Markings (lines, dots, hash marks, etc.)
- _____ Table (make sure there is a table and it is in the correct location)
- _____ Walk the 8M arc and 12M fan and make sure they are the correct size.
- _____ Cones are located at each of the four corners of the field.
- _____ There are no hazards on the field (broken sprinklers, cones, garbage, holes, etc.)
- _____ Each team has a bench or benches and it/they are in the correct location
- _____ There is a clock and score board visible from the field.... and it is on and working.
